

IN THE UNITED STATES COURT OF FEDERAL CLAIMS

MYNETTE TECHNOLOGIES, INC.
and STEVEN M. COLBY,

Plaintiffs,

v.

THE UNITED STATES,

Defendant,

and

GEMALTO, INC. and IDEMIA IDENTITY
& SECURITY USA LLC,

Intervenor-Defendants.

Case No. 16-cv-01647-RTH

Judge Ryan T. Holte

JOINT MOTION TO AMEND SCHEDULING ORDER

Plaintiffs Mynette Technologies, Inc. and Steven M. Colby (collectively, “Mynette”), Defendant, the United States (“the Government”), and Intervenor-Defendants Gemalto, Inc. (“Gemalto”) and Idemia Identity and Security USA LLC (“Idemia”) (collectively, “the Parties”) respectfully submit this Joint Motion to Amend the dates in the current Scheduling Order, which issued on March 14, 2025 as a Non-PDF Order.

Since the Court’s March 14 Order, the Government has been negotiating with three contractors, two of which are parties to this case, in order to determine the extent of their contributions to the agreement in principle recently reached with Plaintiff. Moreover, the Government has reached a tentative agreement in principle with all three of these contractors. Accordingly, the Parties are in the process finalizing the specific terms of the proposed settlement. Once finalized, these terms will be submitted to DOJ leadership for final review and, if deemed appropriate, approval.

Therefore, to avoid the expense of further litigation, preserve the Parties' and the Court's resources and maintain focus on the settlement discussions, the Parties propose a fifty-six (56) day extension of the remaining scheduled deadlines to allow those settlement discussions to proceed and conclude, unimpeded by the need to simultaneously prepare for and conduct the depositions of the parties' expert witnesses.

For the foregoing reasons, the parties respectfully request that the Court modify the dates in the March 14 Scheduling Order as follows:

Event	Current Date	Proposed Date
Close of expert discovery (for all issues other than damages), to include expert depositions	May 2, 2025	June 27, 2025
Deadline for dispositive motions under RCFC 56	June 6, 2025	August 1, 2025
Deadline for responses to dispositive motions	June 27, 2025	August 22, 2025
Deadline for replies to dispositive motions	July 18, 2025	September 12, 2025

Respectfully submitted,¹
